Florida Motion & Control provides product knowledge, customer solutions, technical assistance and the most comprehensive inventory of motion control products in Florida.

Hydraulic

- Oilgear pumps and motors
- Continental pumps & valves
- ATOS valves
- Piston, vane & gear pumps
- Directional & proportional valves
- Hydraulic Power Units off-the-shelf or built to order
- Oildyne compact power units
- NuTron hydraulic motors

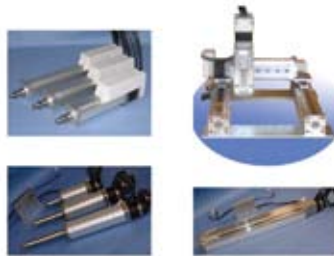

Pneumatic

- Valves & valve manifolds
- ISO and NFPA cylinders
- Rodless actuators
- Slides
- Rotary actuators
- Regulators & filters
- Grippers
- Air amplifiers
- Tubing, connectors, & flow controls

Electromechanical

- Electric cylinders
- Electric rodless actuators
- Digital servo motors
- Belt driven actuators
- Easy to program
- 20 to 2000 lb. force.models
- 24 - 72 VDC, 110 - 230 VAC
- Accurate position control
- Absolute encoders
- Great value!

Instrumentation & Accessories

- Testo Emission analyzers
- O2,CO, CO2, NO, NO2, H2S
- Ideal for testing Engines, Furnaces, Boilers, Turbines
- Pre-calibrated sensors
- Thermal imagers, 0.1° C
- 33 Hz for dynamic imaging
- Digital video boroscopes

Gauges & Sensors

- GEMS Sensors
- NoShok gauges
- DataSensor photoelectrics
- Vacuum sensors
- Digital indicators
- Pressure switches
- Linear transducers
- Color sensors
- Flow sensors
- Level sensors

PLCs, Switches, Power Supplies, Ethernet Switches

- 12/24/48 vdc, 115/230 vac DIN rail mount power supplies
- IDEC SmartRelays and PLCs
- Standard & safety relays
- Photo, ultrasonic, color sensors
- HMI Touchscreen panels
- Safety switches & light curtains
- Industrial Ethernet Swtiches Marine & IP67 versions

Hose & Connectors

- Hydraulic hose & fittings
- Air & water hose
- Thermoplastic hose, fittings & couplers
- Teflon hose & fittings
- Tube fittings & adapters
- Brass fittings & plastic tubing
- Quick couplers
- Ball valves

80/20 Extrusion

- Guarding & Enclosures
- Pro-Line Workstations
- Automation & Linear Motion
- Exhibits & Displays
- Furniture
- Material handling
- Widest choice of panels
- Custom machined parts
- Quick turnaround
