Florida Motion & Control provides product knowledge, customer solutions, technical assistance and the most comprehensive inventory of industrial automation products in Florida.

Emission Analyzer

- Testo 350
- O₂, CO, CO₂, NO, NO₂, SO₂, H₂S
- Ideal for testing Engines, Furnaces, Diesels, Boilers, Turbines
- US EPA and State Reg. Testing
- Precalibrated sensors install in minutes and are ready to use.
- Remote operation up to 300'
- Programmable testing
- Optional PC software offers remote control and data logging for several units.

Thermal Imagers

- Testo 875, 881
- 320 x 240 pixels on 3.6" diag. screen
- 33 Hz for dynamic imaging
- 0.1° C resolution
- Built-in voice recorder
- Interchangeable lenses
- PC report writing software
- Long-life Li-ion battery
- Easy one-hand operation

Industrial Combustion Analyzer

- Long lasting and field replaceable pre-calibrated sensors
- O₂, CO, CO₂, NO, NO₂
- Ideal for Boiler and Burner tuning
- Data logging & programmable
- Compact & rugged design
- Easy emission software
- Rechargeable battery

Video Inspection

- Sharp image color camera with auto-sensitivity and focus
- 2.5" color LCD 320 x 240 pixel
- 42" rugged, flexible fiber optic shaft - solvent & water resistant
- View objects as close as 3/8"
- Built-in LED illumination
- Clip-on magnet lifts 1/4 lb.
- Uses 4 AA batteries (3 hours)
- Only \$255.00!

Gauges & Sensors

- GEMS Sensors
- NoShok gauges
- DataSensor photoelectrics
- Vacuum sensors
- Digital indicators
- Pressure switches
- Linear transducers
- Color sensors
- Flow sensors
- Level sensors

Instrumentation Fittings & Valves

- SS316, Brass, Carbon Steel, Titanium, Hastelloy
- 100% Swagelok™ compatible
- OD 1/16-2inch, 2mm-38mm
- Heat-code traceability
- Dual & single ferrule designs

80/20 Extrusion

- Guarding & Enclosures
- Workstations
- Automation & Linear Motion
- Exhibits & Displays
- Furniture
- Material handling
- Widest choice of panels
- Custom machined parts
- Quick turnaround

PLCs, Switches, Power Supplies, Touchscreens

- 12/24/48 vdc, 115/230 vac DIN rail mount power supplies
- IDEC SmartRelays and PLCs
- PLCs with web server
- Standard relays and switches
- HMI touchscreens
- Safety switches
